

# Service Guidelines

We are excited to resume in-person services with the entire congregation. In preparation for regathering, we have put together the following guidelines. Thank you for being patient with us over the last several months. We are working diligently to keep you as safe as possible while also facilitating God glorifying worship, make Jesus' name famous, and reach the lost. Please take some time to familiarize yourself with these guidelines. If you have questions, feel free to call Pastor Casey -706-338-6155.
